Journey of Support

HMS CAPITAL CAMPAIGN is Moving Forward

The **Capital Campaign** continues. At last years luncheon the concept of the "Path to the Future" was presented to the attendees. The fund raiser will be the finishing touch on the long awaited renovation of the **Slappey Building** the future home of **Havana Main Street (HMS)** and the **Havana Visitors Center**. Commemorative brick pavers will be laid in the entrance of the former Havana State Bank. The space only allows for 600 of the 4" x 8" pavers, so don't wait to purchase yours. This is the perfect way to remember a loved one, etch a date in time while showing your support for your community. Proceeds go towards Havana Main Street events.

Spear headed by Edna Hall she invites all of you to become a part of the Pathway to the future. Contact the HMS office with any questions and visit our web site to order your memorial engraved brick paver.

Plum Fusion

2023 RAFFLE QUILT HAS ARRIVED AND IT'S A BEAUTY

For the past eight years master quilter **Wendy Adam's** generosity has known no end. The much anticipated Quilt Show and Sale to be held **November 4**, will highlight this years raffle quilt the Tonga "Plum Fusion". This

gorgeous "Square of the Month" quilt measures 108" square fits a King, is made up of 12 different Tonga batiks, and took Wendy two years to complete. The photograph does not do the quilt justice, The colors range from sweet creams to luscious plums and berry tones surrounded by earthy browns and greens and sports a beautiful batik fabric backing of the small palette. Tickets will be ready for purchase soon and the quilt will be on display at Wanderings and raffle tickets will be available at many of the local merchants
